

my family, who, not being aware that I had left Hamburg, were much surprised to see me.

They informed me that the Parisians were all impatient for the return of the King—a fact of which I could judge by the opposition manifested to the free expression of public feeling. Paris having been declared in a state of blockade, the gates were closed, and no one was permitted to leave the capital, particularly by the Barriere de la Chapelle. It is true that special permission might be obtained, and with tolerable ease, by those who wished to leave the city; but the forms to be observed for obtaining the permission deterred the mass of the people from proceeding to St. Denis, which, indeed, was the sole object of the regulation. As it had been resolved to force Fouché and the tri-colored cockade upon the King, it was deemed necessary to keep away from his Majesty all who might persuade him to resist the proposed measures. Madame de Bourrienne told me that on her arrival at St. Denis she called upon M. Hue and M. Lefebvre, the King's physician, who both acquainted her with these fatal resolutions. Those gentlemen, however, assured her that the King would resolutely hold out against the tri-colored cockade, but the nomination of the ill-omened man appeared inevitable.

Fouché Minister of the Police! If, like Don Juan, I had seen a statue move, I could not have been more confounded than when I heard this news. I could not credit it until it was repeated to me by different persons. How, indeed, could I think that at the moment of a re-action the King should have intrusted the most important ministerial department to a man to whose arrest he had a hundred days before attached so much consequence? to a man, moreover, whom Bonaparte had appointed, at Lyons, to fill the same office! This was inconceivable! Thus, in less than twenty-four hours, the same man had been intrusted to execute measures the most opposite\*, and to serve interests the most contradictory. He was one day the minister of usurpation and the next the minister of legitimacy! How can I express what I felt when Fouché took the oath of fidelity to Louis XVIII. —
